Many IAABO Boards make funds available for members to attend IAABO Officials' Schools. There are several approaches utilized in the process. Some boards grant individual members varying amounts of money that is applied toward tuition, while other boards choose a number of members and pay half of their tuition. Local boards are encouraged to support their members in their efforts to become better officials. Please note that if you plan to bring family or friends to Orlando, there is an additional \$50.00 per night room fee.
